Re: Application of Lexington Homes for Rezoning from R-1 to R-2 and a Special Use for a Planned Unit Development

Dear Mr. Wade,

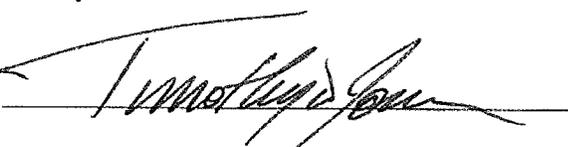

This is to authorize Lexington Homes to proceed with an application for the zoning relief described above on the property owned by the Park District commonly referred to as Muir Park along with the other property it has under contract.

This authorization only extends to Lexington Homes securing preliminary planned unit development approval. Lexington understands it is moving forward at this time at its sole risk concerning the inclusion and planning of property presently owned by the Park District. Lexington Homes will be required to obtain the Park District's consent before proceeding with Final Planned Unit Development approval.

Please contact the undersigned or Christina Ferraro, Executive Director, if you have any questions.

Sincerely

By: _____
